

Newsletter 6: 9/2/10

Dear parents and carers,

Forthcoming events:

Owls Class Assembly – Friday 12th February. 9:10am. Parents are invited to stay at school after dropping their children off and see their children's performance in the hall.

Friends Of Lee Brigg meeting – Wednesday February 24th. 9:00am. All welcome.

For more information contact Nicky Butterfield - 07882152456 or e-mail

nicolabutterfield@btinternet.com

Wednesday 24th February – Parent Consultation Meeting - Tigers Class. If this time is not convenient for you, please see Mrs Taylor and an alternative date can be arranged. I will also be available at the consultation meeting, if anyone needs to speak to me.

Thursday February 25th – Marie Curie Cancer Care's Mini Pots of Care Day.

Children need to return their growing daffodil and sponsor money. (In the envelope provided in the Autumn Term) During the day at school, children will decorate a wrapper for their pot. These will be entered into a nationwide art competition for a chance to win a prize for themselves and the school.

Last week our SE.A.L.S theme was Bouncing Back. Our "STAR" children were: Charlotte Bath – Butterflies, Cy Tonks – Dolphins, Jacob Hudson – Owls and Jake Senior - Tigers. Our Lunchtime Awards went to: Alex Johnson – Tigers, Charlotte Bath – Butterflies, Cy Tonks – Dolphins and Caden Brzezicki – Owls. Well Done!! Our theme this week is Setting and Achieving Goals.

We have had some wonderful pictures brought in for our competition to draw a member of the school staff. (As part of the development of our school website) This will close on Wednesday February 10th. The children will have been given the opportunity to do this at school, but if they would like to enter more than one picture, they have one last chance to do a drawing at home tonight and give it to their teacher. (Please ensure your child's name, their class and the name of the person they have drawn, is on the back) One picture of each person will be chosen to be published on the website and suitable prizes will be awarded to the winners.

As the darker mornings and evenings are with us, it is important that we make our children more visible to road users. WMDC Road Safety Team is selling LED Flashing Armbands at a cost of £1.00. These can be ordered through school, by informing your child's class teacher before Friday February 12th.

Last week our School Police Liaison Officer, PC Matt Grayson, observed the traffic around school from 8.45am. He saw 3 cars parking illegally on the zig – zag lines in front of school, therefore causing danger to our children. These motorists were given a warning, but I have been asked to inform you that any motorists parking on the zig – zag lines in the future, will be given a fine. PC Grayson will regularly be observing the traffic in the morning and at home time.

We have had a very busy, yet fun filled half term and I wish to thank you for all the support you have given school. We hope you have a lovely week's holiday and return to school on Monday February 22nd.

Yours Sincerely

Mrs A Bardsley
